Truck Color Policy: You are not allowed to pick your color of the bike. We will not ship you the same color if you have a game and ordering another one, simply share the game serial # and you will not get the same color. If your sale depends on a new customer having certain colors, order 4 and you will get all the colors. Then you can pick out the colors you need and then you will have two on hand to move right away.

Approved Copy:

Smash your way to victory in **Nitro Trucks**™ - a rowdy offroad racing game from the team that brought you *MotoGP*! Select from 14 upgradeable trucks and get 'em dirty on 6 exciting tracks. Pick up power-ups to repair your vehicle and earn nitro boosts - then hit the RAM button to show your opponents who's boss! An immersive cabinet design puts you in the driver's seat - complete with roll cage, 5.1 surround sound speakers, LED lighting, and a force feedback steering wheel. Connect up to 8 games for a rip-roarin' good time!
